Paid Editorial and Advertising Package Options

Get some Industry Authority

Tap into our blog readership by promoting your quality content for natural therapy professionals. The great thing about using content marketing is that customers are highly engaged, leading to stronger leads and conversions.

Online Editorial - \$440 per article ex GST

- Full page article with up to three images or one video
- Home page presence including an image, article heading and link
- Contact details including business, phone, email, website, social media links

Please note: We're unable to publish articles that simply 'advertise' a product. But we will consider content that is useful, interesting, valuable and relevant to our members. You can view examples by visiting our articles page here: <https://iict.com.au/articles>
